

NICO WYND MEN'S CLUB ACCEPTING NEW MEMBERS

Limited Number of Openings Available for 2024

The Nico Wynd Men's Golf Club has a limited number of membership opportunities for our Saturday group. This group plays year round with guaranteed 18 hole tee times not available to the general public. Starting times vary with the seasons and, with the exception of a few "shotgun" starts, members choose from early, middle or late starts. We are always the first golfers teeing off on Saturdays. Members must be over 19. If you do not have a registered handicap, one will be established for you after three rounds.
