The following golfers were excluded from the results:
TURNER, JOHN (no Hcp)

Ties have been broken using the 'Last 9631' method by examining the accumulated Stableford points over the final 9 holes, final 6 holes, final 3 holes and the final 1 hole. If any ties still existed, they were not broken. When Handicap Strokes were allocated in computing Stableford points, strokes were allocated in order of precedence using the Handicap Holes as defined in the course database.
